FINAL
August 12, 2014

Dear Parents,

Please refer to the list of important dates for our 2014-2015 Academic School Year calendar when making travel plans for your child. All students are required to be at school no earlier than 9:00 am on Tuesday, September 2 for registration and orientation.

Throughout the year, families are expected to adhere to the scheduled departure and arrival times set for students. Students are not allowed to stay on campus during break periods or return to campus prior to the published return dates and times as the building will not be open and staffed.

The number of contact hours spent in the classroom is important to your child's academic success. For this reason we discourage unexcused absences. An unexcused absence from school is an absence that is not for a family emergency, religious commitment or for school sponsored events including athletic competitions. Any absence for events other than school sponsored events must be approved by the Academic Dean and a Leave Form must be completed. The result of missing classes due to an unexcused absence is that the student will not be allowed to make up any missed work including assessments and homework. The school will not instruct faculty to give alternative opportunities to compensate for missed work. This policy is stated in the NSA 2014-2015 Community Life Handbook. See this for additional information.

National Sports Academy provides a shuttle to and from the Albany International Airport at the start and end of school breaks. The shuttle is available to all students who make a reservation with the Director of Residential Life two weeks prior to the departure date. The fee is \$150 per student. If your child needs transportation other than the NSA Albany Shuttle it is the responsibility of the parents to arrange and pay for these trips. NSA will assist parents with independent travel arrangements by sharing a list of transportation options.

Sincerely,
NSA Staff & Faculty
